Making Disciples by Sharing God's
Compassionate Love

HAPPY
Mother's Day

Heavenly Father, we thank You for Your creation, especially Your design for the family. The gift that You give to us in mothers. We pray for all those on this Mother's Day who are feeling tired and weary and perhaps unheard, that You would just give them the encouragement to continue steadfast and faithful in their role as moms. That You would help children to respect and love and cherish the gift that You give to them in mom and their dad. We pray that You would be with all those who don't have a mom.

If that mother has been lost to death or some other situation, Lord, we pray that You would comfort them on this day. For all the moms who have gone ahead and who are celebrating eternal life with You, we again give You great thanks as we look forward to the day when one day we will be reunited with them and all those who have gone in faith before.

So, thank You for this weekend and we pray that You would bless us now, in Jesus' name. Amen.

Acts 1:11 – “Men of Galilee, why do you stand looking into heaven? This Jesus, who was taken up from you into heaven, will come in the same way as you saw him go into heaven.” Christ has died. Christ is risen. Christ is ascended, and Christ will come again. We live our lives in this world in the sure confidence of the world to come. We live as people who know our Lord Jesus and who know that He is coming back. This makes all the difference in how we approach our stewardship and how we care for the things of this world.
